Foreclosed Homebuyer Assistance Available

A grant awarded to Santa Rosa County is now available to assist citizens with the purchase of foreclosed homes located in designated target areas. Low to moderate income families can apply to receive funding to assist with down payment and reasonable closing costs. Applicants and property must meet program eligibility requirements.

Santa Rosa County received \$919,200 from a Florida Small Cities Community Development Block Grant Program for Neighborhood Stabilization to improve access to mortgage capital in order to increase occupancy of foreclosed homes, facilitate property renovation, and to promote homeownership in the areas of the county with the greatest need.

Applicants, realtors and lenders are encouraged to contact Janice Boone, Santa Rosa County Housing Program at (850)981-7089 or janiceb@santarosa.fl.gov for more information.
