Lane Closures on Navarre Beach Causeway

Motorist driving on Navarre Beach Causeway will experience slight delays as lanes will be closed on Monday, April 12 through Friday, April 16 to accommodate resurfacing of the causeway. Drivers will be guided through the work zone with advance warning signs, drums, flaggers and a pilot vehicle.

Lane closures will involve:

- All traffic entering and exiting the causeway will be directed to the signal at U.S. Highway 98. The 'taper/turn' lanes will not be available for use due to milling operations.
- Temporary detour of the east bound taper/turn lane traffic on U.S. Highway 98 to the signalized intersection making southerly turning movements onto Navarre Beach Causeway off of U.S. Highway 98.
- Temporary detour of the north bound traffic on Navarre Causeway approaching the east bound taper/turn lane to the signalized intersection making the east bound turning movements onto U.S. Highway 98.
