John Belew Selected as Public Services Employee of the Quarter

John Belew, a multi-disciplined inspector for development services, has been selected as the Santa Rosa County Public Services Employee of the Quarter. Beginning his career with the Santa Rosa County Inspection Department in 1998, John has been a valuable employee, willing to assist in any way possible. He has been extremely important to the success of the newly created development services center. “We are very proud of John and glad to have him as a public services employee,” stated Public Services Director, Tony Gomillion. Belew accepted the responsibility to be one of the primary contacts for commercial customers, while still performing his plan review and routine inspection duties.
