Annual Mitigation Update

At the Tuesday, September 6 commission committee meeting, the Santa Rosa County Local Mitigation Strategy Task Force will update the commissioners on mitigation efforts in Santa Rosa County. Items to be discussed include the progress of ongoing mitigation projects, an evaluation report on the progress of the Flood Mitigation Plan and an update on the county's Community Rating System efforts. The public is encouraged to attend or view Tuesday's meeting online at www.santarosa.fl.gov/bocc/meetings.html. A copy of the presentation, the Flood Mitigation Plan Evaluation Report and additional LMS information are available online at www.santarosa.fl.gov/lms/.

The purpose of the Santa Rosa County Local Mitigation Strategy Task Force is to decrease the vulnerability of the citizens, governments, businesses and institutions of Santa Rosa County and reduce human, economic and environmental costs of natural, technological, and societal disasters. To this end, the task force develops, monitors, implements, and maintains a comprehensive plan for hazard mitigation. Participation on the task force is open to all jurisdictions, organizations and individuals supporting its purposes. For more information regarding the annual update or the activities of the LMS, please contact Sheila Harris, special projects and grants coordinator at (850) 983-1848 or sheilah@santarosa.fl.gov.
