## ***Tiger Point Recycle Site Relocated***

The Tiger Point Park recycling drop off containers have been relocated to outside the entrance of the park. The containers were previously located in the parking lot of Tiger Point Park. Residents will now find the containers located on the right side of Tiger Point Park Road when traveling south from U.S. Hwy. 98. The relocation is hoped to be more convenient for residents utilizing the recycling drop off site by eliminating the need to enter the park and also help lessen traffic and increase available parking spaces in the very popular sports park.
