### ***Citrus in the Panhandle Program***

A one hour program on growing citrus in the panhandle will be presented on Friday, Aug. 21 at 10 a.m. at the Gulf Breeze Library located at 1060 Shoreline Drive in Gulf Breeze. Mary Derrick, Residential Horticulture Agent with UF/IFAS Extension Santa Rosa County will present the program.

This informational session will cover varieties of citrus suitable for the panhandle, how to care for them and how to recognize and treat common pests and diseases.

For more information, please contact Mary Derrick at (850) 623-3868 between 8 a.m. and 4:30 p.m. weekdays or via email at [maryd@santarosa.fl.gov](mailto:maryd@santarosa.fl.gov).

All programs and related activities sponsored for, or assisted by, the Institute of Food and Agricultural Sciences are open to all persons with non-discrimination with respect to race, creed, color, religion, age, disability, sex, sexual orientation, marital status, national origin, political opinions, or affiliations.
