Panhandle Butterfly House Plant Sale

The Panhandle Butterfly House will have a plant sale on Saturday, June 20 from 10 a.m. until 3 p.m. or until all plants are sold. Come early for the best selection! All plants are annuals or perennials that serve as nectar or host plants for butterflies. Expertise on how to plan and care for a butterfly garden is available.

The Panhandle Butterfly House is located in Navarre Park on Hwy. 98 at the foot of the Navarre Beach Bridge. Look for our newly repainted sunny yellow house! We are open to the public from 10 a.m. to 3 p.m. on Thursdays, Fridays and Saturdays. The Panhandle Butterfly House depends on the generosity of its visitors and grants to sustain this incredible educational exhibit. There is no admission, but your donation is appreciated.

For more information please contact Mary Derrick at (850) 623-3868 between 8 a.m. and 4:30 p.m. weekdays or via email at maryd@santarosa.fl.gov.

All programs and related activities sponsored for, or assisted by, the Institute of Food and Agricultural Sciences are open to all persons with non-discrimination with respect to race, creed, color, religion, age, disability, sex, sexual orientation, marital status, national origin, political opinions, or affiliations.
