Celebrate and Support Friends of the Library Groups in Santa Rosa County

October 18-24 is National Friends of Libraries week, making it a good time to publicly thank the Friends of the Library groups in Santa Rosa County who contribute their time and expertise to enhance our library services. Each year, the Friends' groups for Gulf Breeze, Milton, Navarre, and Pace libraries contribute tens of thousands of dollars to supplement funding for library collections, youth programs and other needs.

Used book sales throughout the year are main sources of fundraising for the Friends' groups with books donated by citizens used for these efforts. By shopping locally at their book sales, you not only support your library -- but you can save big on books, gas and time!
