RE: Invoices for consulting services, related to FDEP permit application

Dear Ms. Bell:

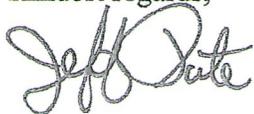

By the request and approval of the Santa Rosa Shores Homeowner's Association (SRSH, Inc.) Canal Committee, would you please create a check in the amount of \$1,575.00, to be made out to Wetland Sciences, Inc. Please pay this fee from our MSBU account. If you would, please mail the check to the address on their attached invoice.

This is for consultation services from April 2015 through November 2015.

Due to the work of Wetland Sciences, Inc., and the work of CSA Sciences, Inc., we were finally issued a dredging permit from the Florida Department of Environmental Protection in January of this year. We are now in discussions with the Army Corps of Engineers, to get them to sign off on their part of the permit. Once that happens, we will be able to proceed with the seagrass transplantation and subsequent dredging of our three channels.

Thank you in advance, for your help in this matter.

Kindest regards,

Jeff Pate
