Dear Julie,

Thank you for your time and consideration in supporting the new Santa Rosa County Chamber of Commerce & Tourist Information Center to be constructed at 4315 Avalon Boulevard in Milton. The new 3,190 square foot facility will house a larger Visitors Center and Boardroom to more adequately accommodate the needs of our visitors, the numerous non-profits and event coordinators that meet in our boardroom and more importantly the easily accessible location will enhance the opportunity to great travelers from the I10 corridor and showcase all Santa Rosa County has to offer!

We're requesting funding support in the amount of \$120,000 which is approximately 12% of the total cost of the completed project; \$60,000 payable in FY 16/17 and \$60,000 payable in FY 17/18.

This is a project of the Santa Rosa County Chamber of Commerce Community Foundation, a 501(c)3.

Julie, this is such an incredible milestone for our community, our county and our chamber; a true community vision with numerous partners and organizations coming together to make it happen. Thank you for being a part of the legacy.

At Your Service,

*Donna S. Tucker*
