## Memo

**To:** Tony Gomillion, County Administrator

**From:** Ronald Hixson, Environmental Manager

**Thru:** Roger Blaylock, P.E., County Engineer

**Date:** August 11, 2016

**Re:** LEASED JOHN DEERE 850K BULLDOZER UNDERCARRIAGE OVERHAUL

A handwritten signature in blue ink, appearing to read "RCH", is written over the "Thru:" line of the memo.

---

**Discussion:**

The Leased John Deere 850K bulldozer that is utilized by the Central Landfill as a main pack and cover bulldozer is in need of a complete undercarriage overhaul. This repair includes heavy duty track chains, track bolts, nuts, top rollers, SF and DF bottom rollers, sprocket segments, idlers, track adjuster seal kits.

**Finding:**

The Leased John Deere 850K bulldozer is essential to keep operations running properly at the Central Landfill. Repairs need to be made to its undercarriage to keep it in working order. Since this is Leased equipment the repairs will need to be made by the lease holding company (Beard Equipment). Beard Equipment has provided staff with an estimate for completing an undercarriage overhaul in the amount of \$13,627.02.

**Actions to be Considered:**

That the SRC BOCC approves the attached quote from Beard Equipment in the amount of \$13,627.02 for a complete undercarriage overhaul for the Leased 850K John Deere Bulldozer utilized by the Central Landfill.
