MEMORANDUM

TO: Tony Gomillion

FROM: Sheila Fitzgerald, Grants & Special Programs Director

DATE: October 18, 2016

SUBJECT: FY 2017-2018 Coastal Partnership Initiative Program Grant Application

RECOMMENDATION

Recommend Board approve submittal of Coastal Partnership Initiative Program grant application in the amount of \$120,000 seeking \$30,000 in grant funds toward the replacement of the pier and seawall at Sandpiper Village Park including local match commitment in the amount of \$27,500 from Boater Registration Fees and an additional \$62,500 from District 5 Recreation Funds.

BACKGROUND

The Florida Coastal Management Program's (FCMP) Coastal Partnership Initiative seeks to inspire community action and promote the protection and effective management of Florida's coastal resources. Grant applications are due October 31, 2016. Requests can be made up to \$30,000 and a 100% match is required. Notification of funding is expected to occur in the spring or summer of 2017.

At the September 22, 2016 meeting, the Board of Commissioners recommended staff develop a grant application to replace the fishing pier and seawall at Sandpiper Village Park. At the October 4, 2016, the Marine Advisory Committee recommended the use of \$27,500 in boater registration fees to go towards the Pier replacement. Replacement of fishing piers is an eligible use of boater registration fees. The proposed budget of \$120,000 is based on a combination of in house estimates and one marine contractor quote.

FUTURE ACTION

The application will be finalized and submitted no later than October 31. If approved, the grant award will come back to the Board for approval. The project will be competitively bid.

COASTAL PARTNERSHIP INITIATIVE REQUEST FOR GRANT APPLICATIONS FY 2017-2018

The Florida Coastal Management Program (FCMP) announces
the availability of federal funds for innovative coastal projects
under its COASTAL PARTNERSHIP INITIATIVE (CPI) for
fiscal year 2017-2018. Eligible applicants include Florida's 35
coastal counties and the local governments within their
boundaries that are required to include a coastal element in
their comprehensive plan. Florida public colleges and
universities, regional planning councils, national estuary
programs and nonprofit groups may also apply for CPI funds
as long as an eligible local government is a partner in the
project. Applications must be submitted on the CPI

APPLICATION FORM, available from the FCMP website at
<http://www.dep.state.fl.us/cmp/grants/index.htm>.

Applications must be received no later than 4:00 p.m. ET,
Monday October 31, 2016.

Mail CPI applications in
accordance with the requirements below to: Florida Coastal
Management Program, ATTN: CPI Applications - (Toni R.
Clanton), Department of Environmental Protection, Florida
Coastal Office: 3900 Commonwealth Blvd., MS 235,
Tallahassee, Florida 32399-3000. Electronic and faxed grant
applications will not be accepted.

The purpose of the COASTAL PARTNERSHIP INITIATIVE
is to promote the protection and effective management of
Florida's coastal resources in four priority areas: RESILIENT
COMMUNITIES, COASTAL RESOURCE STEWARDSHIP,
ACCESS TO COASTAL RESOURCES and WORKING
WATERFRONTS. Chapter 62S-4, Florida Administrative
Code (F.A.C.) describes the priority areas and includes
information on the CPI grant program, CPI Application Form,
submittal requirements, and the criteria by which applications
are scored and ranked. The CPI Application Form and a copy
of Chapter 62S-4, F.A.C., are available from the FCMP grants
website at <http://www.dep.state.fl.us/cmp/grants/index.htm>
Please note the below important details regarding the CPI
grant process for FY 2017-2018. Additional information,
including requirements & restrictions, are set forth in chapter
62S-4, F.A.C.

1. Applicants must submit one originally signed application,
four copies of the application, and one copy of the application
on CD or DVD.

2. Projects must be completed within one year between July 1,
2017 and June 30, 2018. Selected projects will be included in
the FCMP application to the National Oceanic & Atmospheric
Administration (NOAA) for fiscal year 2017-18.

3. PLEASE NOTE: Due to current budget restraints, the
FCMP will be unable to grant the maximum award under Rule
62S-4.004, F.A.C. Applicants can expect the maximum award
to be no more than \$15,000 for planning, design and
coordination activities and \$30,000 for construction projects,
habitat restoration, invasive exotic plant removal, and land
acquisition.

4. Recipients are required to provide 100 percent matching
contributions (cash or in-kind) in the form of goods and
services that directly benefit the specific grant project. No
more than one-half (50%) of match can be provided by a third
party.

5. There are additional requirements for applications involving
construction, invasive exotic plant removal, habitat
restoration, and land acquisition, including:

a. In order to show the project is feasible and able to be
completed within one year, applicants proposing construction,
invasive exotic plant removal and habitat restoration must

conduct a preliminary consultation with appropriate local, state and federal regulatory agencies to ensure that there are no environmental concerns that would delay or prevent project start-up. Summary of the consultation must be included in the CPI application or the project will be found to be infeasible to be completed within one year.

b. Applicants should submit a completed and signed “306a checklist” with the application. The checklist may be obtained at: <http://coast.noaa.gov/czm/media/checklist306a.pdf>

c. Non-profit organizations (NPOs) are not eligible to receive funds for construction, habitat restoration, invasive exotic plant removal, or land acquisition. Applications submitted by NPOs that propose these activities will be disqualified.

d. Pursuant to NOAA’s direction, shoreline hardening projects are not eligible for FCMP funds.

e. Infrastructure projects must have a clear coastal management component.

f. Construction and land acquisition activities occurring in designated Coastal Barrier Resource Act units are subject to additional review and approval by NOAA and/or the U.S. Fish & Wildlife Service.

For questions or to request a copy of Chapter 62S-4, F.A.C., or the CPI Application, please contact: Ms. Toni R. Clanton at the address above, call (850)245-2184 or email: Toni.R.Clanton@dep.state.fl.us.
