Tony,

Please see the request below. Is this something we can add to next week's agenda? They need the letter before our next meeting in April. Thanks.

Subject: Arcadia Mill- DHR grant letter of support

Dear Chairman Lynchard,

Arcadia Mill Archaeological Site, managed by the UWF Historic Trust, is submitting a Small Matching grant application to the Florida Department of State, Division of Historical Resources, Bureau of Historic Preservation.

The grant request will fund the Arcadia Mill Simpson House Restoration project consisting of restoring the newly acquired Simpson family home back to its construction date of 1935. Following restoration, the Simpson home will function as an historic house museum, associated with Arcadia Mill Archaeological Site, that will be open to the public for tours and education.

The Simpson house represents a new and exciting historical resource for Arcadia Mill and the UWF Historic Trust operation. Proper restoration and interpretation of this significant resource will undoubtedly enhance Arcadia's educational abilities and will create a generational impact in this region.

I hope you will consider providing a letter of support for our grant application. Attached is a sample letter of support and if willing, please personalize this letter with your support of this project.

Your original letter should be sent to our main office at 120 Church Street Pensacola, FL 32502 or emailed to this address by April 25, 2016.

Thank you for your continued support of Arcadia Mill Archaeological Site.

Sincerely,

Adrienne Sams Walker
