Get the Smartest Card @ your library®

September is Library Card Sign-up Month, and the Santa Rosa County Library System wants to make sure that all children in Santa Rosa County have the smartest card of all – a library card.

There's a lot happening at your Santa Rosa County Library, and the best part for both children and parents in these tough economic times is that it's all free with a library card. Library cards are available at no cost for Santa Rosa County residents – just go to your library and apply!

“A library card has always been the most important school supply of all,” says Margaret Chatraw, youth services coordinator. “Today’s libraries provide access to accurate and reliable information for homework and research, 24/7. To access these resources outside the library, all you need is your public library card. The library can also help make life after school more fun, with free access to books, music, DVDs, the Internet and more.”

Back to school is the perfect time to make sure kids are equipped with a library card. Make sure your kids gear up for school by signing up for a library card at your local library. No matter how crammed the backpack or your family's schedule, there's always room for a library card.

*The Santa Rosa County Library System is a department of the Santa Rosa County Board of County Commissioners. Libraries are located in Gulf Breeze, Jay, Milton, Navarre, and Pace.
