## ***Roads and Bridges Closed Due to Flooding Update 2***

The following roads and bridges in Santa Rosa County are closed due to water over the roadway:

- Bryant Bridge
- Red Rock Road at Juniper Creek
- Both lanes of Deaton Bridge are now closed
- Wagner Bridge on Springhill Road
- Walling Road

Standing water creates a serious road hazard, even when only a portion of the roadway is flooded. Motorists should always avoid crossing flooded streets and should never attempt to cross flooded bridges. Remember, "Turn Around, Don't Drown." Any additional road closures will be announced as they occur.
